Community Garden Plan

Proposal to the residents' association, November 2026

Why a garden

- The empty lot behind block C has been unused for six years
- Thirty households asked for space to grow vegetables
- Schools nearby want a place for outdoor lessons

What we propose

- Twenty-four raised beds, each rented for a season
- A tool shed and a rain-water tank
- Two benches and a shaded corner for classes

Costs

Item	Cost (EUR)	Paid by
Beds and soil	3,600	Bed rents
Shed and tank	2,100	City grant
Benches and shade	900	Donations

Next step

Vote on the plan at the December meeting
